TE Connectivity joins IT Leaders West Africa Summit

The annual IT Leaders West Africa Summit will take place from 28-29 November 2012 in Accra, Ghana. The summit is produced by international business-to-business conferencing company, Kinetic Events. Kinetic Events is proud to confirm summit Silver Solution Provider, TE Connectivity on board for the IT Leaders West Africa Summit in November.

TE Connectivity will present a topical workshop session at the summit specifically designed to cater to senior level decision makers and heads of IT within the West African ICT industry. The workshop session will focus on physical infrastructure trends in the office and data centre environments presented by Edward Coetzee, key account manager of Enterprise Networks at TE Connectivity

TE Connectivity is a global company that designs and manufactures over 500 000 products that connect and protect the flow of power and data inside the products that touch every aspect of peoples' lives. Nearly 100 000 employees partner with customers in virtually every industry-from consumer electronics, energy and healthcare, to automotive, aerospace and communication networks-enabling smarter, faster, better technologies to connect products to possibilities.
