

Radisson adds Park Inn Lusaka to Africa portfolio

Radisson Hospitality AB has added Park Inn by Radisson Lusaka Longacres, Zambia to its expanding portfolio.

Park Inn by Radisson Lusaka

The hotel will be situated in a central location within the city's concentration of embassies, diplomatic missions and United Nations (UN) offices. It will form part of a mixed-use development, including a 9,000m² shopping mall, which – along with an increasing number of businesses – will support the hotel in establishing itself as a destination in Lusaka.

The 136-room Park Inn by Radisson Lusaka Longacres will open in 2020 and will offer a mixture of standard rooms and suites, along with an all-day dining restaurant and bar. The meetings and events area will include one ballroom, three meeting rooms and a boardroom. The hotel will also house a well-equipped gym.

Radisson Hotel Group's Africa portfolio consists of 83 hotels and more than 17,500 rooms in operation and under development.
