Oryx Properties has a retail, industrial and office real estate portfolio valued at about R2.326bn which generates a dependable, sustainable and growing income stream for investors. These include the major Namibian shopping centre Maerua Mall and office block in Windhoek, plus several industrial properties in South Africa.

Fourie, a chartered accountant, brings to his new position extensive experience in both Oryx Properties itself and the real estate industry in general. He was appointed chief financial officer for Oryx Properties in 2011. In 2014 he took up the position of chief operating officer with the responsibility of participating in the development of the company's investment strategy as well as evolving a management structure for the property portfolio.

Francois Uys, the chairman of the board of Oryx Properties, congratulated Fourie on his appointment, and added, "Oryx is well structured with suitably qualified and experienced staff which gives the board confidence that this is the right way forward. We're completely confident that Mr Fourie is more than capable of taking on his new responsibilities."
