The campaign follows the fantastical journey of Skhumbuzo, or 'Skhu', a character in the relentless pursuit of gold. As a true South African, he possesses the innate talent for 'Uk'fosta', which is the unparalleled ability to power through hardships, convert adversity into opportunity, and demonstrate remarkable resourcefulness. Join Skhu on his light-hearted adventures as he goes all out to find his real gold, as we realise Hunter's Gold is the only real gold worth chasing.

'Hunter's Gold keeps the ones Abafostayo refreshed. In this campaign we celebrate that never-give-up attitude, the true grit, determination, passion, and perseverance of South Africans. This campaign is an entertaining showcase of the spirit of Uk'Fosta, the ability to have fun and stay refreshed while pursuing one's goals, no matter how outrageous they may seem.' says Hunter's brand manager, Nontsikelelo Gumede.

Hunter's Gold offers the ultimate thirst-quenching cider refreshment from the first gulp, the real gold standard refreshment since 1988. Consumers stand a chance to win one of two 'Skhu's Gold Experiences' valued at R250,000 each. Consumers can purchase *any* Hunter's product, dial \*120\*764#, or scan the QR code, and voila! You could be packing your bags for the gold experience of a lifetime with three of your closest friends.
