

Ghana: MTN unveils training centre

Committed to invest in its human resource capacity in its operational areas in the West, East and Central African (WECA) regions, telecommunications giant, Mobile Telecommunications Network (MTN), over the weekend in Accra, unveiled a training centre to help train and upgrade the company's staff in order to meet future challenges.

Christened “MTN ACADEMY”, the learning centre seeks to provide a learning methodology to its entire staff and also to provide a platform for the staff within the WECA region, to interact and share ideas for the progress of the company (MTN).
