Hosted by the ACA, the Apex Next Level of Thinking Masterclass will take place at a brand new venue, The Houghton in Johannesburg on 11 July 2019.

Apex has announced that they are excited to be hosting two highly acclaimed international speakers this year, Stan Slap of Slap Company (USA) and Jane Ostler of Kantar (UK).

Bizcommunity freelance editor Danette Breitenbach has been invited to moderate and MC the Tedx-style event, which will feature five highly regarded speakers. Breitenbach, a heavyweight industry commentator, who recently

led a panel of BizTrends speakers at the IAB Summit 2019, is the perfect choice to ensure the presentations and Q&A format will add value for delegates and speakers.

The event, which will form part of the Apex Awards 2019, is being held the morning prior to the annual gala awards ceremony.

This year's theme is Africa, the revolution.

As a proud media partner, Bizcommunity, in collaboration with the ACA and Apex, will bring you all the coverage of the masterclass and gala event.
