

Vicinity Media 2019 - The year in location

Issued by [Vicinity Media](#)

7 Feb 2020

2019 was a big growth year for Vicinity Media. We ran close to 2,000 campaigns, drove over two-and-a-half million customers to store (yes, we actually 'saw' them in store) and collected over two billion first-party location data points. This year we'll be harnessing that data for our clients and agency partners. See the other highlights in the infographic below:
