

# The Decorex Africa portfolio appoints Scout PR

The Decorex Africa portfolio has appointed Scout PR & Social Media to announce its dynamic new plans for Decorex Cape Town 2021. Decorex Cape Town has been agilely restrategised with the month of June 2021 pegged for a Design Takeover comprising a host of activities that are geared towards stimulating the industry.

Scout is no stranger to Decorex Africa, having represented several leading local events that fall within the portfolio. Scout has managed the communications for 100% Design South Africa for the last six years and the PR for Decorex Durban, Cape Town and Joburg since late 2019. The new Design Takeover is an exciting new addition to the Decorex Africa portfolio.
