

Forest Hill Shopping Centre adds Keedo store

The South African designer children's clothing brand, Keedo opens a new store in Pretoria this weekend at the Forest Hill Shopping Centre in Pretoria West. The store will be the second to feature the new look and is part of the company's growth programme. The first store to feature the new look was the Clearwater Mall store, which opened for business on 1 April 2014.

Keedo owner and founder, Nelia Annandale, invites all customers to enjoy a 50% discount on sale items on the opening day. "We are excited about the growth of our national footprint and couldn't have done this without the loyal support of our customers. In recognition of this and to thank our customers for their support, everyone who visits the store in the first month will go into a lucky draw for a R1,000 gift voucher, as well as receiving the 50% discount on sale items on the opening day."
