

Rand Water brochure in international competition

[click to enlarge](#)

The International Water Association (IWA) Marketing and Communications Award for 2010 has announced Rand Water's Water Wise Education Team is a winner of the School Information Programme category of and received a Highly Recommended certificate for its Open the Door to Water Wise House Z-Card brochure which was created by PocketMedia Solutions. The winners of each of the five categories will be judged against each other and an overall winner will be announced at the IWA Project Innovation Awards Banquet during the IWA World Water Congress that will be held 19-24 September 2010 in Montreal, Canada.
