

The garden party of the year flies

The SAA Cape Town Flower Show attracted about 24 000 visitors over four days October 27 - 30, 2005, to its new home at Lourensford Estate in Somerset West. "The seeds have been sown and it is our intention to grow the event into a flower show that will be recognized both nationally and internationally," said Paul Jackson one of the show's directors. The 2006 show will be 26 - 29 October 2006 at Lourensford Estate. Visit www.capetownflower.com.
