

Asus South Africa launches an online store

Asus South Africa has launched an online store. The online store offers commercial, consumer and gaming notebooks as well as accessories, peripherals, chargers and apparel with secure online payments and nationwide delivery.

The online store offers free standard delivery on orders over R450 and next-day delivery for a fee. Shoppers get a 14-day return policy and a three-year pickup and return policy. Payment can be made through PayFast, which is a secure payment gateway for debit and credit cards. Monthly credit options are available through Mobicred at the Asus store.
