

Centrify named best IT company of the year

Centrify Corporation was named Best IT Company of the Year - Software, in the Network Products Guide's 10th Annual Hot Companies and Best Products Awards. These industry and peer recognitions from Network Products Guide are the world's premier information technology awards paying tribute to achievements and recognitions in every facet of the IT industry.

Centrify addresses the identity needs of both end users and privileged IT users, and does so through a single platform that spans across cloud, mobile and data centre. Thousands of Centrify Identity Service customers are now embracing a converged mobility and identity solution as their employees demand single sign-on (SSO) access to cloud applications via mobile devices.
