

Inappropriate news footage

The visuals used in the background of etv's news insert regarding the alleged club bouncer beatings were not inside Tiger Tiger.

In fact the visuals used were of a VNV nation gig held at Zeplins in Pretoria and the revellers weren't the type you'd even find at Tiger Tiger.

The obvious fact that it was implied that the interior club shots were of the club being discussed was bad enough, but the fact that the crowd wasn't even vaguely representative of the tiger tiger crowd was shocking. Way to lose credibility!

Makes you question all the footage used, doesn't it?
