

Finalists ready for Pendoring reveal

The Pendoring finalists once again reflect the richness of South Africa's cultural and language diversity, as 27 South African advertising agencies have produced 98 finalists in all of South Africa's indigenous languages (excluding English).

Pendoring judges. Images supplied.

Once again leading the pack is Joe Public with 13 finalists, followed by Red September and The Odd Number, each boasting 8 finalists, and Mortimer Harvey with 7 finalists.

Tertiary institutions racked up 25 finalists, with Northwest University leading with 8 finalists, followed by Stellenbosch Academy of Design and Photography, Vega School of Brand Leadership (Johannesburg and Pretoria) and AAA School of Advertising (Johannesburg and Cape Town), each producing 4 finalists.

As in the past, the category Radio Communication produced a bumper crop of 102 entries. Television, Cinema and Video Communication delighted with significant growth, posting 86 entries, followed by Print Media with 33 entries. This year, tertiary institutions contributed 79 entries in the various student categories.
