

## Register now for The Thinking Mobile Conference Series

Registration is open for *The Thinking Mobile Conference Series*. It's a meeting place for business communicators who need to focus not on "techno" language but on concrete and tangible applications. This is the place where you will walk away armed with knowledge that will enable you to confidently strategise around mobile. Who should attend? Brand managers, event organisers and managers, marketing, communication and PR experts, business owners, business experts and coaches, NGOs. Bizcommunity.com is a media partner.
