A new dimension added in travel to Mozambique

Tour operators and product owners in Mozambique have welcomed the news on the release of Fastjet's operating schedule for services into Mozambique.

Fastjet expansion plans to improve Mozambique air access, boost tourism

4 Oct 2017

"The release of the date, routes and schedule by Fastjet comes as positive news for Mozambique as a whole. We will now see a new dimension added in travel to Mozambique where travellers will achieve greater access to different the destinations in the country and where they will also benefit from more competitive pricing, which in turn can only bode well for the tourism industry in the country," said Kevin Record, owner of Ibo Island Lodge in Mozambique.
