

## WOW Cruze Day, in partnership with Chevrolet

On Saturday, Women on Wheels hosted a Top Gear-style drive around the beautiful Cape peninsula, in partnership with Chevrolet. Readers test-drove the latest Chevrolet releases and were treated to breakfast at 15 on Orange, a gourmet three-course meal at The Foodbarn, cocktails and canapes at 15 on Orange and stunning views throughout the drive. Thank you to Chevrolet, 15 on Orange, 2oceansvibe radio, our official radio station for the day, and all who attended.
