

Invenfin gets creative

Invenfin hosted an event at the Cape Quarter on 18 May 2010, Fire and Ice Hotel on 25 May 2010 and the Hilton Hotel on 27 May 2010.

Attendees such as angel investors, university faculties, business consultancies, patent attorneys and other entities and

individuals got a chance to get creative for a change as they are often confronted with innovation on a regular basis.

Invenfin provides hands-on guidance to its charges and steers them towards commercialisation over a period of time.
