

Mazda scoops five wins from the Daily News Autos Awards

The Mazda MX-5 took the win in the Fun Car category, Small SUV went to the Mazda CX-5, while Mazda CX-3 came top in the City SUV category. Mazda3 was voted best Small Car and Mazda6 was the winner for Family Car.

The United States based Daily News Auto Awards honour best-in-class vehicles for a wide range of consumers with the intent to help consumers make a better choice for their next car purchase. The team of voters consisted of nine automotive journalists with over 100 years of combined experience testing and reviewing cars all over the globe.
