

# American Express includes Terroir Restaurant in Fine Dining Awards

The Terroir Restaurant on the Kleine Zalze Wine Estate in Stellenbosch was included in the American Express list of the country's top restaurants for 2018 and 2019. The American Express Platinum Fine Dining Awards were recently held at the Embassy Hill in Constantia, Cape Town.

The awards conclude with a definitive list that honours and rewards chefs and restaurants that are delivering the perfect culinary experience. Last year, Terroir was also awarded One Plate status in the 2018 edition of the JHP Gourmet Guide, which acknowledged the restaurant's "excellent cuisine".
