

# Mazole Holdings appoints new directors

Nicholas McDowell and Nkhensani Moyane have been appointed as directors for the Mazole Holdings Group (Pty) Ltd.

Nicholas was a part-time SharePoint and Technical consultant at Mazole in 2011, then joined the group full time in 2012 as part of the Independent Agency Search and Selection Company, one of the Mazole subsidiaries, where he has developed the IT infrastructure for the IAS TLC product along with the Agency Management System technology. More recently, he has installed a full Cloud Based system throughout the group - which consists of five companies. Nicholas McDowell is currently the head of technology at Mazole Holdings.

During her time with L'Oreal South Africa as a Dermo advising development manager for their Vichy department, Nkhensani demonstrated a flair for writing and was responsible for compiling monthly articles for their online publication. Currently, Nkhensani has a senior account management role in Glasshouse Communication Management - another of the Mazole group companies. She will have a non-executive director role on the Mazole board.
