

Orlando Pirates headphones from Skullcandy

[click to enlarge](#)

Collaboration between Skullcandy headphones and Orlando Pirates Football Club will see three styles of headphones available in South Africa. The product was unveiled at the Derby match played on Saturday 15 March 2014, when players walked off the bus sporting the range of products. Ink'd earbuds, uprocks onears and Hesh over ears will be available in most major retailers countrywide, distributed by Luksbrands South Africa.
