

Online press conference today - African Economic Conference 2011

Mthuli Ncube, chief economist of the African Development Bank; Pedro Conceição, chief economist of the Regional Bureau for Africa of the United Nations Development Programme and Emmanuel Nnadozie, director of Economic Development and NEPAD division at the United Nations Economic Commission for Africa will jointly hold an online press conference today, Friday 14 October 2011 at 2pm GMT. They will discuss the issues of the African Economic Conference 2011: Towards a Green Economy. The conference will examine Africa's prospects for advancing sustainable development by boosting economic productivity and promoting long-lasting human development through the sustainable management of natural resources, including green growth. Media are invited to join this free online press conference by [registering](#) their details.
