

Egyptian speaker for 10th annual iWeek Conference

Ramy Raoof, online media officer at the Egyptian Initiative for Personal Rights, is one of the speakers at the 10th annual iWeek conference, to be held in Pretoria, South Africa from 21-23 September 2011. The Internet Service Providers' Association of South Africa (ISPA) and UniForum SA (the co.za administrators) have announced that registration is now open for the event. The speakers at iWeek arrive from six continents and will provide insights into topics such as the underground economy, open spectrum, challenges of scaling, social networking and e-learning.
