

Big news! | Rocket Creative is now Level 2 B-BBEE certified

By  Richard Nilson, issued by Rocket Creative Design & Display ^{30 Jul 2020}

Rocket Creative is incredibly pleased to announce that, after much planning and perseverance, they have received their Level 2 B-BBEE certification.

Richard Nilson, Rocket Creative founder and managing director, elaborates, "This is a significant milestone for Rocket Creative, and we are delighted with the achievement! We will now be in a far better position to offer and promote our extensive range of products and services to a broader selection of larger corporates and organisations."

"The certification demonstrates our commitment not only to operational excellence but to remain and grow as an active and enthusiastic contributor to the future of the South African economy. We are embracing change and empowering our team to go bigger and further. I would like to thank our dedicated team, as well as our fantastic clientele, for supporting us and evolving with us to make this opportunity possible", he adds.

About Rocket Creative:

Launched early 1998, Rocket Creative evolved exponentially into an innovative player in the design and display industry. They maintain a core focus on the design and manufacture of unique retail display, brand activation, merchandising and point-of-sale display hardware. They have achieved significant recognition within the industry and are privileged to supply aesthetically unique branding products used to promote and activate virtually every blue-chip brand in the South African and global markets.

ABOUT RICHARD NILSON

I am an incredibly proud dad to my two gorgeous daughters, Jade Lee & Erma Lu, who I joke are the best creative work of my life. Beyond my family, I've poured my heart into building Rocket Creative, my business I founded and have grown from the ground up and nurtured to where we are today. I am tremendously proud of what I have 'created' in my life, and I am eternally grateful for everything I have.
