

## **World Patient Safety Day**

Issued by <u>COHSASA</u> 5 Sep 2022

To mark the annual World Patient Safety Day, three organisations - Cohsasa of South Africa, AfiHQSA of Ghana and C-CARE (IHK) of Uganda are collaborating to bring you the latest thinking across Africa regarding medication without harm - the theme for this year's World Health Organization (WHO) third global patient safety challenge.

This challenge aims to reduce the global burden of iatrogenic medication-related harm by 50% within five years.

Join us to hear new ideas, visions and solutions to address medication-related adverse events which cause untold death and suffering around the world.

## DATE:

16 September 2022 12:00 GMT | 14:00 SAST | 15:00 EAT
