Type:	Permanent
Reference:	#BRM57507
Company:	E-Merge IT Recruitment

This innovative tech company is currently on the lookout for an intermediate .NET software engineer to join their team. This company prides itself on forging partnerships with industry titans to seamlessly fuse SaaS applications, eradicate data barriers, and streamline those tedious, time-consuming tasks that hinder growth and profitability.

In the role of an Intermediate .NET Software Engineer, you'll contribute to the crafting of an integration platform that spans the .NET 6/7 backend and the web app frontend, harnessing the power of TypeScript and React. Within this exceptional team, collaboration and knowledge exchange are the order of the day. They're all about delivering results and share a deep passion for coding, all while finding time for social engagements in the vibrant Cape Town scene.

If you're keen to join an enthusiastic team of passionate developers, apply now.

Skills you will need:

- C#
- .NET 6/7
- TypeScript
- JavaScript
- React
- YAML
- Azure
- DevOps

Do you qualify?

- Bachelor's degree in computer science or related field
- Five-plus years' development experience in C# or JavaScript
