

Upper east holds exhibition of made-in-Africa products

A five-day exhibition of made-in-Africa products and cultural awareness creation is underway in Bolgatanga in the upper east region. It seeks to showcase potentials of the northern, upper east and upper west regions and provide avenue for Africans in the Diaspora to easily trace their roots and invest in Ghana.

The event is being organised by Star Black Foundation International (SBFI), a youth-oriented Pan African organisation, based in Twifo Hemang in the central region and supported by Africans in the Diaspora.
