

KBI appoints Kulkarni as new MD

Kirloskar Brothers International (KBI) has appointed Ajeet R. Kulkarni as the new MD for KBI South Africa. Kulkarni has worked on KBI's international and domestic marketing with responsibilities that included coordinating export businesses for the African continent as well as the Indian sub-continent region.

Since April 2015, Kulkarni had been serving in the capacity of associate VP, heading the marketing activities for one of the key business segments.
