

One Show Juries announced - three South Africans selected

The juries for The One Show categories have been selected. A group of international judges will select the winning submissions of The One Show. These creative directors, art directors, designers and copywriters represent the expanded international scope of The One Club.

All work, whether broadcast, print, interactive or design is judged in anonymity. This allows even the smallest agencies to be on equal competitive footing with worldwide giants.

The One Show's prestigious lists of judges are given a rather difficult mission: to seek out and reward work that is smart, compelling and relevant, work that defies categorisation. The judges select work they would have been proud to do themselves.

Three South Africans have been selected to three juries - they are Alistair King Creative Partner King James / South Africa on Film, Xolisa Dyeshana Executive Creative Director Joe Public / South Africa on Interactive and Jenny Glover TBWA Hunts / South Africa on Radio.
