In the fast-paced world of modern marketing, one thing remains constant and a top priority - results! To thrive in today's ever-evolving digital landscape and stay ahead of the competition, continuous upskilling is not just an option; it's a necessity. That's why leading digital marketing specialist, Incubeta partnered with the global award-winning Red & Yellow Creative School of Business. Together, they have curated a [transformative 10-week online course in performance marketing](#) designed to equip you with the skills essential for targeting the right audiences at the right time, ultimately leading to increased ROI.

Unleash the power of results-driven marketing

At the heart of digital marketing lies a single, persistent goal—producing measurable, tangible outcomes. Performance marketing serves as the gateway to unlocking outcome-focused strategies, using various channels that deliver quantifiable success. With over two decades of global experience in the digital space, Incubeta has consistently crafted results-driven strategies for its clients. Their team of experts is well-versed in the art of generating measurable outcomes and propelling business growth with a global outlook.

Leveraging their wealth of experience, together with Red & Yellow Creative School of Business, they have meticulously designed this online course. It's tailor-made to empower marketing enthusiasts, small business owners, as well as digital, brand, and content marketers, to not only gain a comprehensive understanding of the skills needed to leverage performance media for more effective brand marketing, but also to uncover industry-leading tips and techniques for achieving remarkable results through paid marketing strategies.

Your passport to success in digital marketing

The [Red & Yellow Performance Marketing online short course](#) offers a cutting-edge curriculum that will not only keep you at the forefront of digital marketing but also propel your career to new heights, providing you with a competitive edge. This course is your pathway to thinking beyond the ordinary. It imparts both theoretical knowledge and hands-on skills that you

can apply as you study, to elevate your paid marketing efforts. You'll learn how to harness digital channels and platforms as powerful promotional tools, by leveraging precision-targeting to reach your audiences based on demographics, occupations, interests, and locations.

Furthermore, you will acquire the skills and capabilities to leverage performance media for more impactful self-marketing or brand promotion, achieving remarkable results. Learn the art of crafting focused, meticulously planned campaigns with compelling calls-to-action that drive desired shifts in consumer behaviour.

"Supporting Red & Yellow with the creation of an all-encompassing performance marketing course was a challenge we happily took on," says Lianne Godfrey, head of learning and development at Incubeta. "I believe the true value of the course lies in the weekly tutorials that students can join, to discuss the course content, test their knowledge and ask questions about the modules or assignments. These tutorials are hosted by Incubeta knowledge experts, from our head of paid media to media managers, providing the students with a unique insight into the world of those who run campaigns for multiple clients globally."

A sneak peek into what awaits you:

- Master the difference between paid search and programmatic display advertising
- Align paid media seamlessly with your digital marketing strategy
- Unlock the full potential of the Google stack (Marketing Platform, Analytics 360, Search Ads 360, data studio, Google shopping platform)
