

## Charnte Hartzenberg pleads to the entertainment industry

This [Youth Month](#), together with [Pride Factor Academy](#), young and confident 'thought leaders' share what they think the business community can do better to address the needs of the youth through a series of videos.

Charnte Hartzenberg of Florida North, Johannesburg, has a keen interest in the entertainment industry.

In this video, she pleads to the entertainment industry to open up and offer equal opportunities for all.
