

Margaret Hirsch visits the Dalpark Secondary School

Hirsch's COO, Margaret Hirsch recently visited the Dalpark Secondary School in Brakpan, Gauteng and provided some of the young girls at the school with much needed sanitary towels *and* announced an essay competition.

The grade eight female learners were provided with reusable 'Girls With Dignity' sanitary towels that should last them throughout their school careers and ensure that they miss a day of school as a result of their menstruation cycle. Hirsch also announced an essay competition in which three learners stand a chance to win a cash prize; the winner will be announced in August.
