

Inclusivity is the way to a successful future

June is [Youth Month](#) in South Africa and this year, [Pride Factor Academy](#) kickstarted the conversation with Bizcommunity, by launching the 'Have Your Say' campaign.

Cayla Platt, an entrepreneur and co-founder of soon to be launched app called BioSphere, believes that inclusivity is the way of a successful future for all.

“ From my perspective the business community is not the biggest fan of change and our slowpace in adapting to change is not growing us and our economy on a “global level. The youth can help solve this problem ”
