

Promoting US business interests in Africa

Themed, *Advancing a Resilient and Sustainable Partnership*, the Corporate Council on Africa (CCA) 2019 Summit will engage key US and African government officials and decision makers to discuss their strategies, vision and initiatives to facilitate increased business and investment.

Africa Summit.

The Summit will bring together more than 1,000 leading US and African private sector executives, international investors, senior government officials and multilateral stakeholders. The gathering will provide several opportunities for business executives to meet heads-of-state, ministers and high-level US and African government decision makers to advocate for their business interests.

The Summit will also serve as a platform for businesses to also hear from leading US and African industry experts on best practices in sectors including agribusiness, energy, health, infrastructure, ICT and finance; explore new business and investment opportunities; meet and network with potential business partners; obtain real-time leads; and advocate to shape effective US-Africa trade and investment policies.
